Daly City Rushes Civilian Defense

DISASTER COMMITTEE GOES INTO ACTION

Ask Local Volunteers To Sign Up This Week

As the growing national crisis nears its climax, and the attention of the nation is focused, with much anxiety and fear, on current foreign relations, the Daly City Disaster Preparedness Committee has, this week, translated their program into action in observance of Civilian Defense Week.

Stimulating into the minds of Daly City people the awareness of the need for civilian defense, the committee, headed by Arthur J. Bodien, superintendent of the water department, announced that tomorrow, sign up day for volunteers for civilian defense, the residents of this community will get their opportunity to do their part for the defense program, and in so doing, safeguard the city from whatever emergency might arise.

In signing volunteers for civilian defense duty, it was the decision of the Disaster Preparedness Committee to initiate the local program with a first aid course, ten weeks of study of the practical use of first aid under competent, American Red Cross approved instructors.

Co-ordinating with sign up day, registration for the course will begin tomorrow afternoon at 1 p. m. in the office of Arthur J. Bodien in the city hall. Registration will continue in that office from 1 p. m. until 5 p. m. every week day until the class is complete. Registration can also be made in the police department in the city hall from 5 p. m. until midnight.

These classes are open to anyone wishing to enroll, and the course is entirely free of charge. Aside from the fact that the first aid course has a very important part in the civilian defense program, enrollees in this class can also gain a very profitable knowledge of first aid for their individual uses.

The committee selected the signing of volunteers as a tangible line of action in observing this week as proclaimed by the president as Civilian Defense Week.

Besides the first aid program,

Opportunity!

Opportunity is now at hand for citizens of Daly City, not only to gain a practical knowledge of first aid free of charge, but, do their part in the Daly City disaster preparedness program.

First aid volunteers may register at the office of A. J. Bodien in the city hall between the hours of 1 p. m. and 5 p. m. and at the police department in the city hall between the hours of 5 p. m. and midnight. Registration will continue the rest of this week and the first part of next week.

Any local adult who is interested in learning the fundamentals of first aid, thereby preparing himself to save suffering and lives in the event of an emergency, is invited to take advantage of this free instruction.

"On The Job?" You Bet They Were

Daly City's police officers are "on the job," even when they are "off the job" . . .

Confusing, isn't it?

Really, this isn't double talk, though, because Chief of Police James G. Reardon and Officer Henry Sundermann jr. proved this, last week, when they overcame a hit and run driver after a long chase, Tuesday night, while they were on their way to the wrestling matches.

The two officers observed a car on Junipero Serra boulevard

Daly City Council Adopts Resolution

The city council of Daly City, in a meeting at the city hall Monday night, adopted a resolution to notify the public that bids are now open for the purchase of the city's fire department improvement bonds, valued at $39,800.

This resolution was preceded by a resolution last July authorizing the issuance of the bonds, and the sealed bids will be opened at the next meeting of the council on November 24.

A motion was passed at the meeting to contribute to the membership drive of the American Red Cross a sum of $15, the same amount that was contributed last year.

City Attorney Rudolph A. Rapsey made a report to the council regarding an investigation which he made, with Peter Kelly, city home inspector, of buildings in Daly City. Rapsey stated that four buildings were found inadequate for living purposes. Condemnation proceedings of these structures by the city is expected to commence within the next few weeks.

D. C. Opens Red Cross Membership Drive

With plans for a bigger roll call than ever before, the American Red Cross opened its membership drive yesterday in Daly City, and the drive will continue through November 30.

The local division, under the guidance of Mrs. Clarence Page, Roll Call chairman, assured the

PROCLAMATION

By MAYOR JOHN J. FAHEY

WHEREAS conditions in the world today have necessitated an unprecedented peacetime extension of our Army, Navy, Marine Corps, Coast Guard; and

WHEREAS our national civilian defense program necessitates a strengthening of all those services essential to the public health and welfare, and

WHEREAS no section of the United States is free from the threat of natural catastrophe or disaster, such as flood, hurricane, tornado, drought, earthquake, fire, explosion, epidemic; and

WHEREAS the international situation still continues to cause intense distress among innocent victims, making essential American aid to suffering humanity abroad; and

WHEREAS the American Red Cross is the only organization in our land equipped and ready, first, to assist, advise and otherwise serve the men of our armed forces and their loved ones at home; second to carry on in our own and every other community such indispensable welfare programs as Red Cross Public Health Nursing, instruction in Home Nursing, First Aid, Water Safety and all kinds of Accident Prevention, and through the Junior Red Cross in the schools, to act as the medium for service by our young people; third, to render protection and relief in case of the afore-mentioned disasters, and fourth to undertake the administration of American aid to stricken non-combatants and refugees abroad;

THEREFORE, I, John J. Fahey, Mayor of Daly City, proclaim the period of the 1941 American Red Cross Annual Roll Call, from November 11 to November 30, a time during which the public-spirited people of this community, both men and women, boys and girls, should make every effort to support and strengthen the Red Cross by enrolling through our local chapter as members of the Red Cross, or by renewing their memberships in it; and I further proclaim that it is the sense of all of us who are residents of Daly City that our membership enrollment in the Red Cross must be larger than ever this year, in order to enable this great national organization of ours to meet whatever demands may be made upon it.

COUNTY-WIDE GROUP READY FOR EMERGENCY

To Meet Evacuation, Shelter, Food Problems

Evacuation of San Mateo county refugees, clearing of traffic conditions resulting from enemy bombs, were possibilities discussed at a recent meeting of the San Mateo county defense council. Seeming remote, to the average citizen, these problems were actually given careful consideration by the group of nearly 70 representatives of the county.

A. H. Quirmbach, Daly City's representative to the council and chairman of the committee on public information, pointed out that one of the highlights of this meeting was the fact that the responsibility in this defense program was not one for the national committee alone, or for other committees. The responsibility belongs to every citizen.

In connection with this responsibility, Quirmbach urged every citizen of Daly City to support the local observance of Civilian Defense Week by volunteering for duty on Sign Up Day tomorrow.

Speaking before the county council at the meeting, Richard Graves, executive director of the California State Council of Defense, assured the assembly that an attack on the west coast is quite possible, as it has been proven by responsible officers of the army, navy, and the air force.

Graves further pointed out that San Mateo county, in the event of such an attack, would undoubtedly be confronted with the problem of handling thousands of refugees from defense and industrial centers such as San Francisco and South San Francisco. He warned the meeting that the county must plan as much for population evacuation as for protection of direct attack.

"Our biggest job is national morale," stated Graves. "We must prepare to face the problem of a nation of 130 million people who have been subjected to many unpleasant stresses . . . taxes the likes of which we have never seen before; our inability to buy the things we want even if we have the money. This committee can't stop with preparing for invasion.

"The problem of defense de-

As is usually the case, the Daly City board heads the other boards of San Mateo county in the number of draftees called.

Thirty-Four Finish First Aid Course

Thirty-four Daly City people completed a standard ten-week course in first aid, Tuesday night. Receiving certificates of completion, the students have gained a thorough knowledge of the administration of first aid for both home and public use.

Under the instruction of R. L. Crane jr., district superintendent of schools, the course was introduced on September 2, and was sponsored by Daly City Post No. 410, American Legion. Crane, past commander of the local organization ,proposed the plan for the class to the Legion.

Crane plans to begin an advanced class in first aid the first of the year. Students who have finished this standard course and anyone else with a standard first aid certificate is eligible to enroll in the advanced class.

Following is the list of students with standard certificates: Mr. and Mrs. Peter Becker, 824 Templeton avenue; Mr. and Mrs. Dale Hovey, 438 Willits street; Mr. and Mrs. John Kinsey, 463 Irving-

Childish?

Remember when you were a youngster, there was always one boy in the gang who wanted to pitch or be quarterback? If he could not have his way he would not play.

That seems childish now, doesn't it? But adults act the same way, especially on the highway.

Because they are vain or selfish or just downright intoxicated with the speed bug, many drivers cannot stand to play second fiddle in traffic. They take chances passing other cars to get to the head of the line . . . they speed up when others try to pass them . . . they weave in and out of traffic lanes.

Perhaps such drivers do not realize that they may be merely carrying a juvenile attitude into their adult life.

At the close of the game, refreshments will be served for a nominal charge.

Crocker P. T. A. Plans Evening Whist

At Crocker P. T. A.'s meeting, last Tuesday, a collection was taken among the members for the group's contribution to the Red Cross.

After the regular business session, Mrs. Clark's class presented the annual Thanksgiving play.

The executive board stated that plans for their night whist, November 14, are coming along great. The group has procured lots of valuable prizes. The game will start at 8 p. m. at General Pershing school.

The group cordially invites the public to attend. Price of score cards is nominal.

Tentative plans were laid for a joint whist with the Crocker P. T. A. members to be held some time after the Thanksgiving holidays. All proceeds are to be used to replace cafeteria material.

Andy Hardy Learns About Life In New Drama

Andy Hardy faces the most important decision of his life in "Life Begins for Andy Hardy," the newest and one of the most forecful of the Metro-Goldwyn-Mayer Hardy Family series, opening tomorrow at the Daly City theatre for an engagement of three days.

Once again the family has been gathered together to tell a story of youth and its battle to launch on the serious business of living. Having graduated from high school, Andy has his choice of two roads. He can go to college or work. The decision is his to make. He determines to leave home, go to New York and work for a month so that he may have a basis for his decision. What happens when he breaks away from the ties of his family and the protective surroundings of Carvel, makes for one of the most important of the films.

All of the familiar favorites are back again, plus Judy Garland, making her third appearance as guest star in the role of Betsy Booth, and two new screen discoveries in the persons of Patricia Dane and Ray McDonald.

Lewis Stone is once again the serious and understanding Judge Hardy. Fay Holden as Ma Hardy is sympathetic to Andy's troubles, as is Sara Haden as Aunt Milly. Andy goes the rounds again with Ann Rutherford, as Polly Benedict, finally saying "goodbye forever" as he departs on his New York venture.

"Life Begins for Andy Hardy" presents a new and serious Andy in the person of Mickey Rooney, an Andy who is suddenly brought to the realization that life is more than dancing dates and football games. In none of the other films has he had a better opportunity to display his fine acting ability.

Companion features on the new bill will be "Dr. Kildare's Wedding Day," with Lew Ayers, Lionel Barrymore and Laraine Day.

Andy Hardy (Mickey Rooney) and Polly Benedict (Ann Rutherford) say goodbye forever in this scene from "Life Begins for Andy Hardy," latest of the merry Hardy Family adventures, which opens tomorrow on the Daly City theatre screen. Having graduated from high school, Andy leaves for New York to seek his fortunes, while Polly finds consolation in college. Again present in Andy's newest escapades is Judy Garland as the little rich girl who adores Andy in vain.

MAYBE it's a little hard to picture this trim Buick as it will look on that unknown day when you come to turn it in.

There may be scars in its fenders, and use-stains on its upholstery—but the thing that matters is *it'll still be going great guns.*

You can count on that husky valve-in-head straight-eight to be ticking off the miles with the satisfying efficiency it now boasts.

You can rely on Compound Carburetion† to hold your gas-costs down, squeezing every last power-packed mile out of the fuel you burn.

There won't be any loss of easy comfort in those all-coil springs, or any need for care to keep them gentle.

As for such things as connecting rods and bearings—Buick rods are extra strong, while tests show that our oil-cushioned bearings last twice as long as others under the same load and service.

So go right ahead! Buy Buick on its last mile instead of its first.

If you can get one now, you'll be smart to grab it!

Disaster Committee Goes Into Action

(Continued from Page 1)

the Disaster Preparedness Committee maintains a general file at the city hall showing all records pertaining to civilian defense in Daly City. This file is maintained for the use of the general committee.

In this general file, every building, hospital, and school has been mapped, and all possible information regarding the individual structure has been recorded in a detailed account.

Instructed by the general committee, the police department has recorded all men capable of duty in the time of distress. These names are ready for deputization from the police department should the necessity arise. The Daly City fire department is acting in conjunction with the police department in this civilian defense program under the direction of the general committee.

weaving from one lane of the highway to the other. Suddenly, the driver of the weaving machine, obviously intoxicated, swerved the car into another automobile, smashing the left rear fender. But this didn't halt the drunk as he continued at the same speed down the highway.

Wrestling matches were quickly forgotten, as Chief Reardon and Officer Sundermann started in pursuit of the dangerous hit and run driver. The driver of the damaged car followed behind the officers' car.

The chase continued through Daly City and Colma from Junipero Serra boulevard, and the two officers, taking their opportunity, gradually lured the car to Santa Barbara avenue, where the machine was forced to a stop at the dead-end of the street.

The arrest was made through the Daly City Police department.

And did Chief Reardon and Officer Sundermann get to the wrestling matches? They certainly did, and they were there for the first match.

Grand National Livestock Show To Open Saturday

A million dollar horse show.

A rodeo where many 1941 championships will be decided.

Ken Maynard, movie Western star, headlining a spectacular program of arena entertainment.

Two thousand head of the nation's finest cattle, sheep and swine — worth another million dollars.

This picture of the Grand National Livestock Exposition was outlined today by George N. Keyston, president, as preparations for the huge combination show to be held in San Francisco's $2,500,000 "Cow Palace," from November 15 to 22, went into the home stretch.

Some of the finest stables in the world will be represented in the Grand National Horse Show, S. E. Kramer, its manager declared.

In the judges' box, sitting alongside the country's foremost experts in horse flesh will be San Francisco's favorite dance band leader, Paul Whiteman, the "King of Jazz," owner and exhibitor of Tennessee Walking Horses who will award the ribbons for that class.

Strong indications that the world championship all-around cowboy title will be decided at the Grand National Rodeo was seen today. The three leading contenders, Homer Pettigrew, Bill McMacken and Fritz Truan are so close together it is believed certain the final decision will rest with the results of the "Cow Palace" show.

Maynard, movie idol of millions of children and Western favorite of as many more adults, will perform with his famous white horse "Tarzan." In addition there will be Mark Smith's famous Black and White Horse Troop, Pallenberg's Bears, and The Great Peters, The Man Who Hangs Himself and Lives."

Book Wear and Tear

V. J. McHenry, who annually supervises the renewing of the 3,000 library books at the University of California, reports that it is always the first 20 pages of a book that suffer the greatest damage due to the efforts of students to concentrate on them. The middle and the end rarely ever have to be renewed.

New "Gadgets" Featured At Home and Garden Show

Countless new "gadgets" and improvements designed to take the drudgery out of housekeeping are on public display at the Home and Garden Show, now at Civic Auditorium, in San Francisco.

So efficient are some of the devices that they practically do housework themselves, according to Carl Gellert, show committee chairman for the Associated Homebuilders of San Francisco, sponsors of the event.

He cited as an instance a new mop made of rubber, which wrings itself, thereby eliminating stooping.

Every phase of home construction, planning, arranging, furnishing and financing is portrayed in the Home and Garden Show, Gellert said.

Exhibits range from basic materials up to the finished product and cover many new ways of building and equipping houses under limitations of the national defense program.

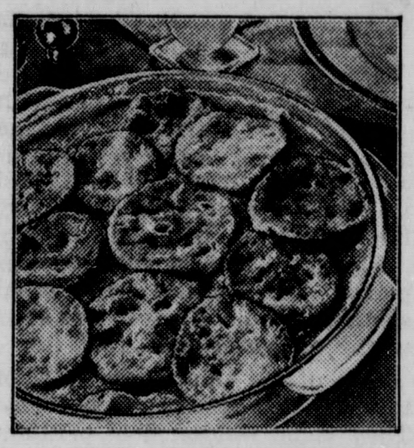
TUNA CRACKER PIE For Sunday Night Supper

by Dorothy Greig

THIS pie is what my Uncle Tim would call "a fine tasty dish" It's a dish of subtly blended flavors . . . the flavor of chicken, of mushrooms in cream, and tuna fish, flecked with green pepper and grated lemon rind, all baked together in a deep bubbly pie with a browned cracker top.



Practically all of the ingredients come off the pantry shelf, too, so that this hot pie can be whisked together on short notice for a Sunday night supper or luncheon. Do it this way:

- 1 tablespoon onion, chopped
- 2 tablespoons green pepper, chopped
- 1 tablespoon butter
- 2 tablespoons flour
- 1 can condensed chicken soup
- 6 tablespoons milk
- 1 can condensed cream of mushroom soup
- 1 can (7 oz.) tuna fish
- 1/16 teaspoon grated lemon rind
- Crackers for bottom and top of pie

Cook the onion and green pepper in butter until soft, but not brown. Then add flour and mix well. Add the chicken soup and cook until thickened. Stir in the milk. Add this to the cream of mushroom soup. Put the tuna fish in a strainer and pour a cup of hot water over it to take off the excess oil. Then add flaked tuna fish and grated lemon rind; heat to blend flavors. Cover the bottom of small casserole with crackers (round) and put tuna mixture into the casserole.

For top:

12 crackers
½ cup hot milk

Soak the crackers in the milk until soft. Then arrange crackers on top of pie and bake in a moderately hot oven (375°F) for 20 minutes. Serves 4-5.

ASSEMBLIES

It was announced today by the members of the executive board that an exchange assembly with South San Francisco high school will held in the near future.

Delegates from South City high school attended a meeting at Jefferson, last Tuesday morning. The purpose of the meeting was to set a date for the affair.

It was decided that the student body of South San Francisco will present a program at Jefferson on Monday, November 17th, and Jefferson will return an assembly to South City on Tuesday, November 18.

The executive board announced the purpose of these exchange assemblies is to promote better relations between the two schools.

COURT

Judge Arthur McCrystle announced that he would hold a court session for offenders tomorrow afternoon at 3 p. m. He requested all officers to be present.

DRAMATICS

Members of the dramatics class made their usual hit Monday evening, at their annual Armistice day play. This year's play was an entirely new idea and proved quite popular with the public.

It was a series of skits and comedy acts. Those taking part were: Ralph Capps, Kenneth Claussen, Mary Sue Denton, Roy DeVincenzi, Alice Forest, Mary Falbo, Theresa Falbo, Robert Grimes, Glenora Hall, Lillian Hodges, Dorothy Hodges, Dorothy Kampa, Viola Pisani, Walter Pope, Martha Preciado, Joyce Russell, Joe Rodriquez, Isabel Smith, Gene Hopper, Andy Parodi, Jack Faulk, Joe Becker, Lloyd Rentsch, and the high school musical instructor Oscar Busch.

The dramatics class took the audience by surprise as the actors took their stations throughout the assembly room.

Rentsch acted as master of ceremonies. Claussen was outstanding as a comedian.

The skits included: a short play, "Correspondence School Detective," "Grand Uproar Singer" starring Mary Falbo, "Great Magician," starring DeVincenzi and Claussen, "Little Family Affair" and many others.

SENIORS

The seniors are anxiously awaiting the arrival of their sweaters. They ordered them last week.

The jinx committee have set the date of their affair as January 12 and 13. They are going to show a full length, first run, movie to the student body for a nominal charge. One of the days will be called "kids day" and the seniors will come dressed up.

Doris Degliatoni, chairman of the senior ball, announced that plans were progressing and that the committees was hard at work to make the ball a real success.

RALLY

A hand goes to the teachers of Jefferson for their fine performance in Thursday's assembly. The teachers presented a rally for the football game. The skit was based on the tree ceremony of the Arizona Indians.

The dance will be called the "Sno-hop" and the auditorium will be made into a snow scene with evergreens decorating the walls.

Sports

HOCKEY

Jefferson's hockey teams have been having a busy season this semester. They have scheduled to meet with Burlingame and South San Francisco, today. Playing will take place at the South San Francisco high school. Jefferson will send two teams.

One team will travel to Sequoia, tomorrow, for a meet with the Sequoia high school and Palo Alto school teams.

ARCHERY

Miss Ella Redkey, physical education instructor, today announced the members of the girls' archery interclass teams.

Freshmen are: Alice Crossland, Alma Simonetti, Rita Lozano. Sophomores: Virginia Adams, Nadine McDonell, Elaine Saul, Anna Crossland, Bernice Crowder, Gwendolyn Stegman. Juniors: Emelia Bertini, Anita Lehigh, Mary Fillmore. Seniors: Verna Flatt, Mary Falbo, Edith Fasshauer, Norma Simonetti.

Results of the boys interclass archery meet were as follows: senior boys, Bob Crooker, 129; Bruce Davis, 258; Walter Lehigh, 268; against the junior boys, Lowell Coy, 253; Stanley McCann, 116; Gerold Martin, 160; Fred Hanel, 160. These boys shot on Thursday with the seniors coming in ahead with an average of 215.

Lehigh and Davis came in first and second, respectively, for the seniors and Coy, for the juniors, came in third.

The senior boys will play the winners of the freshmen vs. sophomore match, to be held this week.

The senior and junior girls held their competition match Thursday after school.

Shooting for the seniors were Mary Falbo with a score of 102 and Edith Fasshauer with 134. Juniors were Anita Lehigh with 108 and Emelia Bertini.

The seniors won with an average of 128. They will compete with the winners of the freshmen and sophomore girls match.

Campus Fashions

Boys' jackets and matching skirts, that are worked out with tailoring as fine as your beau's, is this year's fashion tip. Darlings are whipcord jackets made along the military line in blue, natural and brown.

Fly front skirts with trouser pleats and multicolor striped shirts of flannella rayon ads class to the otherwise drab coat.

One of the smartest jackets of the season is the boy's corduroy. They come fashioned in brilliant thistle blue, cherry red, sage green, camel tan, dark green and deep brown. The right skirt for this jacket is one with double box pleats, knee length. To keep your legs warm as toast the long ribbed socks are just the thing.

Any gals head would swim at the picture these suits make when they are topped with a darling fleecy twin sweater of imported British yarn. They come in red, hunters green, powder blue, natural, toast, aqua, peach, navy, yellow, or white. They can be had in either long or short sleves, pull over or coat styles.

This week's fashion bouquet goes to a little sophomore. She has jet black hair, olive skin and real dark brown eyes.

She was dressed in a darling "half 'n half" dress of brown and white. The front of the dress was white and when she turned around the back was brown. It was styled along princess lines and was indeed a "just right" for campus wear.

Our little fashion miss came from Crocker grammar school, is studying to be a secretary, loves to swim and hates to see girls wear too much make-up. So here goes this week's bouquet to little Miss Toula Pastrikas.

The class is waiting for the butterfly to emerge, hoping it will be a Monarch.

Recreation Group Stages Two Games

With both teams playing errorless baseball, Daly City Juniors tallied twice in the first inning and scored 3 in the fourth inning to defeat Temple Grill, 5 to 1, in the first game of a doubleheader at Marchbank Field Sunday.

The game was closely contested all the way with both nines connecting safely six times. The losing team scored their one run in the fifth inning when Sullivan came in.

Pickner, newly acquired pitching ace for the Daly City Juniors, succeeded in bewildering the Grillmen with a slow ball and a curve.

The efforts of the losing pitcher, Macchia, were highly respected by the Juniors as he struck out a total of 13 batters, but the winning team managed to bunch their hits to account for their runs.

The game was played under the direction of the WPA Recreation department of Daly City.

Indians Travel To San Jose For Game

The Indians of Jefferson high school "hit the road" again this week when they journey to San Jose for a tussle with San Jose high school Friday afternoon. Kickoff is slated for 3:15 p. m.

With both teams losing games last week, the Jeffs and San Jose will be battling it out for the cellar position in the Peninsula Athletic League. While Jefferson was being beaten by Palo Alto high, the Warriors of South San Francisco were trouncing San Jose's battered eleven.

To date the Jeffs have met with tough luck in league play with four losses and no victories to their credit. However, Coach "B. I." Biggs claims that if the Jeffs are going to hit the victory column, this week is the week to do it. The Jeffs are in better physical shape for the game, and they are up against a more evenly matched team than they have been in other league encounters.

Rated as a potential championship team at the start of the season, San Jose now occupies the low position in the league with five losses and no victories.

S. M. Jaysee Gridders Can Cinch League Title With Win Over S. F.

Playing the San Francisco jaysee, the San Mateo Junior college will engage in its fourth league football game of the season, Friday evening, in the Seals' stadium. The Mateans can cinch the title by this game, as they lead the league with three wins at present. So far this year, the locals have won six games and have lost a non-league game to the Stanford frosh. In the game Saturday, the Mateans defeated the B team of the Moffett Field fliers, 14-0.

Holidays Coming

With Thanksgiving being observed next Thursday, November 20, the junior college will have a vacation Thursday and Friday. This rest period will be followed by a week of mid-term examinations.

Basketball Starts

With Dell Fishback, track coach, directing early practice, San Mateo jaysee basketball players have started Fall workouts. Other league schools have been at work on this sport for some weeks. The Mateans will get in some drill and some practice games before football ends. After that, Coach Murius McFadden will take over the court sport.

Exchange Assembly

In preparation for the game this Friday evening, San Francisco and San Mateo junior colleges will exchange assembly talent this Friday, a few hours before the game. This is an annual custom. Following the game that night, many of the Matean students will dance in San Francisco. Last Friday the San Jose State College student body sent students to the junior college to provide assembly talent.

Indians Defeated By Paly Gridders

Jefferson high school Indians suffered a 21 to 0 setback when they were defeated by the Palo Alto footballers in a Peninsula Athletic league game on the Palo Alto turf Friday afternoon.

Failing offensively and defensively, the Jeffs were considerably off the form they showed one week previous in defeating Lincoln high school. After gaining two opportunities for touchdowns against Paly, the Jeffs failed to score.

Palo Alto opened the scoring in the first half, completing a 30-yard pass against the shaky Jefferson aerial defense, and the play was good for a touchdown. Again in the first half, they scored on an end run from the Jeff 12-yard line. Paly reached the Jefferson 12-yard marker after a long offensive march.

Palo Alto capitalized on a man in motion formation, patterned on the great Stanford offense so that it succeeded in baffling the Jefferson defense throughout the game.

Shortly after the second half was under way, Palo Alto accounted for its last touchdown on an 85-yard return of one of Jefferson's punts. Three tries for conversions after the touchdowns were all successful.

The Jeffs muffled their two scoring chances when they were deep in Paly territory in the last quarter. Jefferson lost the ball on downs on both occasions. It was the same old story—they spent their energy in getting into scoring territory, and they didn't have the punch to score.

Colma Eagle Bowlers Score Wins In League

With victories for both teams in two successive weeks, the Colma Vista Grande "A" and "B" bowlers boosted their standings in the Eagles bowling league Monday night.

The "A" team is in second place after defeating Redwood City, while the "B" bowlers were victorious over the San Francisco "A" team, both by 2 to 1 scores.

In other contests, the Golden Gate Yankees tightened the lead on first place with a win over the Golden Gate Dodgers. San Francisco "B" team outbowled South San Francisco in a 2 to 1 win.

Use Sink Stoppers

In dry Oklahoma sink stoppers can be part of a police officer's equipment. When Lieut- V. O. Webb and two other officers raided a home a woman emptied a dishpan of liquid into the sink. Webb quickly stoppered the sink, drained and siphoned out a quart of what he says was whisky. He was carrying the stopper in his pocket.

Antarctic Lemonade

Scientists have discovered a mixture of chalk and lemonade in mineral form at a depth of 13,000 feet in the Weddell sea of Antarctica. The scientists cannot explain how the citric acid of lemonade, heretofore found only in plants, came to be at the bottom of the Antarctic.
